Technical Skills

- **Languages:** Java, JavaScript (ES6+), SQL.
- **Frontend:** React.js, Next.js, HTML5, CSS3, Tailwind CSS.
- **Backend:** RESTful APIs, Java (Spring Boot if applies).
- **Tools:** Git, GitHub, VS Code, Eclipse, MySQL.

Education

Cibertec, Lima - Peru

- *Currently studying Computer Science and Information Technology (4th semester).*
  Coursework includes object-oriented programming in **Java**, front-end development with **React**, and database management using **MySQL**.
  Academic projects focus on building web applications, implementing REST APIs, and structured query development.

Experience

Frontend Developer (Freelance / Contract)
Remote | January 2024 – Present

- Built responsive and accessible websites using React.js, Next.js, and Tailwind CSS.
- Developed dynamic user interfaces with JavaScript (ES6+), HTML, and CSS.
- Integrated RESTful APIs and optimized performance for faster load times.
- Created a web application for inventory and user management in a library, including return tracking and user role management using Java.
- Developed fully functional university projects focused on real-world applications.
- Used Git for version control and collaborated via GitHub for project tracking and code reviews.
